

JustBiz fees and expenses

Please find below an overview of the range of JustBiz services and related fees.

Advise, design and implementation of an organisational ethics framework

JustBiz can provide support to your organisation in the design, development and implementation of an organisational ethics framework befitting your organisation, for an hourly fee of € 147,90 (ex VAT).

JustBiz charges a reduced hourly fee of € 73,95, (ex VAT) for related travel within the Netherlands, in case the location is > 30 km from Eindhoven. This amount is inclusive of travel expenses.

External confidential counsellor

JustBiz charges an hourly fee of € 127,90 (ex VAT) for operational support activities as external confidential counsellor. Alternatively, a prepaid card system with a discount on the hourly fee, or a subscription fee are open for discussion as well. Please check with JustBiz what cost structure would work best for your organization.

Operational activities would typically include the following:

- Advise (helpdesk function) and support of employees, management, as well as internal confidential counsellors;
- Regular evaluation with the board of directors or the responsible function within the organisation;
- All contact with staff, management, work council, HR or other relevant functions within the organisation;
- An annual report in writing, with respect to the number and nature of reports, and an evaluation thereof in relation to the policies in place.

Activities of a governance and policy nature, such as the creation and implementation of a whistle-blower program, will be charged based on the hourly fee for consultancy activities, as set out below.

In company workshops and training sessions

JustBiz offers a half-day rate of € 748,- (ex VAT) for dilemma training sessions or ethics (management) training sessions for internal confidential counsellors, works councils, employees or management, or workshops for boards of directors. This half-day rate is inclusive of all preparation activities, and is exclusive of travel and subsistence costs.

Mediation of business and labour disputes

JustBiz charges an hourly fee of € 147,90 (ex VAT) for the mediation of business and labour disputes. The hourly fee includes the following activities of the mediator: all forms of discussions and correspondence with the clients and (after agreement) identified third parties or experts, including any interviews, the reading of documentation, preparation and written debriefings of discussions, drafting of agreements. Office costs are not separately charged.

JustBiz charges an reduced hourly fee of € 73,95 (ex VAT) for related travel within the Netherlands, in case the location is > 30 km from Eindhoven. This amount is inclusive of travel expenses.

Costs and fees related to third parties, as well as possible rental costs of the location, if and when incurred by the mediator, will be charged at costs basis.

Invoice specifications

All invoices will be accompanied by an overview of costs, specified per hour, activity and date.
